1. What are the nominee's most significant leadership roles in professional or civic activities?
2. Why is the nominee deserving of this award?

Statewide Community Award

The purpose of the Statewide Community Award is to recognize an organization or company that, through specific projects or efforts, has reached across our valued differences to develop among Oklahomans a keen sense of common purpose and a more profound sense of loyalty to our state. This award has been created to promote a heightened sense of appreciation for the possibilities available when Oklahomans work together as a single statewide community.

Nominations must be received no later than **November 10, 2017**.
